Who We Are & What We Do

Home to Rotherham United Football Club since 2012, the AESSEAL New York Stadium is one of Yorkshires iconic venues, hosting large scale conferences, exhibitions, and events.

The area of Rotherham where the ground is located is historically known as New York (hence the stadium name) and is built on the site of the old Guest & Chrimes factory.

Enriched with some of the finest modern day facilities, the stadium's versatility and desire to ensure that every single person has a truly memorable experience is second to none.

The stadium has built a tremendous reputation as a market leader in the hospitality and events industry.

The AESSEAL New York Stadium is the perfect backdrop for large scale conference, exhibitions, dinners, roadshows etc.

The stadium offers an array of suites that can host anywhere from 2 people to 500 guests.

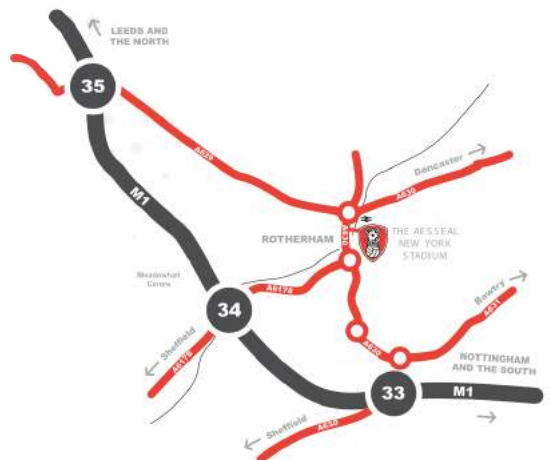

A Central Location

The AESSEAL New York Stadium has become Rotherham's defining landmark - well known and admired throughout the region and a focal point for close on half a million visitors per year.

Rotherham's central location means that the AESSEAL New York Stadium is easily accessible from all parts of the UK, situated close to Junctions 33 and 34 of the M1 motorway.

For those travelling by public transport the stadium is a 10 minute walk from both the Railway Station & Bus Station. Doncaster Sheffield Airport is a 45 minute drive away.

Executive Boxes

Our 8 smaller hospitality boxes allow us to offer you a little something extra, whether that be an additional breakout space at your company conference or a private area for a meeting. The beautifully decorated rooms provide an intimate space perfect for generating those additional ideas. They're positioned well with easy access to all suites and can be added onto any package or hired individually.

They all come with a TV screen ready for your presentations and branding. The view out onto the pitch creates a relaxing and quiet environment that works well for virtual meetings, 1-2-1's, and of course that all important networking. With the view, the atmosphere and high-end service you'd be crazy to disqualify them.
